QUESTION 200: Shall the following Ordinance be adopted? A CITIZEN-INITIATED ORDINANCE AUTHORIZING THE TOWN OF TELLURIDE TO SELL, TRANSFER AND CONVEY CERTAIN LAND IT OWNS TO THE TELLURIDE HOSPITAL DISTRICT. BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF TELLURIDE: Whereas, the Telluride Hospital District ("District") is a duly established Colorado special district formed in accordance with applicable Colorado Law; and Whereas, the District generally covers a geographic area consisting of the Towns of Telluride and Mountain Village as well as those portions of San Miguel County extending from Lizard Head Pass to the south, Dallas Divide to the north, and Placerville to the west. Whereas, the District provides critical, high quality patient health care services and facilities to residents and guests living in or visiting within the District regardless of their ability to pay, with special attention given to family and preventative medicine, emergency and orthopedic care, high altitude medicine, sports medicine as well as the provision and operation of facilities enabling CT scans, ultrasound and laboratory services; and Whereas, the District operates the Telluride Medical Center on land and in a building that it is subleasing through Town of Telluride from the Idarado Mining Company; and Whereas, the District has determined that the long term needs of its patients necessitate substantial infrastructure upgrades to its physical facilities to allow the District to serve the continually increasing demands on its facilities and services generated by consistently expanding regional population growth and also to enable the District to take advantage of ever increasing advances in medical technology, which expansions and advances are restricted because of current space and site constraints; and Whereas, the District seeks to acquire land upon which the District or an affiliated or related entity will design, develop, construct, use and operate certain structures, buildings and facilities, including, without limitation, parking in connection with an expanded and relocated Telluride Medical Center ("Relocated Telluride Medical Center") which will enable the District to maximize its ability to offer regional health care services and facilities, which the District is charged with providing; and Whereas, the District deems it prudent to own the land and improvements upon which it will undertake the construction of the Relocated Telluride Medical Center; and Whereas, the District has undertaken a thorough analysis of potential sites within the boundaries of the District that would be of a suitable size and location to accommodate the operational and logistical needs of the Relocated Telluride Medical Center; and Whereas, the District has identified certain property ("Acquisition Property") owned by the Town of Telluride which the District has determined would be a preferred site, in terms of size and location, to develop, construct and operate the Relocated Telluride Medical Center; and Whereas, the Acquisition Property consists of two adjoining tracts, namely: A parcel of land generally consisting of a portion of the South 110' of Tract II of the Butcher Creek Annexation, consisting of approximately 0.53 acres of land more or less ("Parcel A"); and A parcel of land generally consisting of the north-eastern portion of Lot 48-A consisting of approximately 0.40 acres of land more or less ("Parcel B"); and	Whereas, the District seeks to acquire the Acquisition Property from the Town of Telluride; and Whereas, the District and the Town of Telluride are negotiating a contract ("Acquisition Property Purchase Contract") providing for the purchase and sale of the Acquisition Property; and Whereas, the District and the Town of Telluride intend that the terms and conditions of the Acquisition Property Purchase Contract would provide that the sale and disposition of the Acquisition Property would be referred to the registered electors of the Town of Telluride by the District for approval prior to its sale and conveyance to the District. NOW THEREFORE BE IT ORDAINED AS FOLLOWS: Section 1. That the Town of Telluride is hereby authorized to sell, transfer and convey the Acquisition Property to the District on such reasonable terms and conditions mutually acceptable to the Town of Telluride and the District. Section 2. The provisions of this ordinance are severable and the invalidity of any section, phrase, clause or portion of the ordinance as determined by a court of competent jurisdiction shall not affect the validity or effectiveness of the remainder of the ordinance. Section 3. This ordinance shall become effective after the date of publication of notice of its adoption and passage by the Town Council of the Town of Telluride in a newspaper of general circulation within the Town of Telluride; or if submitted to the electorate by Town Council pursuant to Section 6.6, A.3, of the Telluride Home Rule Charter, upon the canvas of returns and publication of an abstract of election evidencing that a majority vote of registered electors of the Town have voted in an election in favor of the foregoing initiated ordinance.

QUESTION 202: Shall the following Ordinance be adopted? A CITIZEN INITIATED ORDINANCE CALLING FOR THE USE OF INSTANT RUNOFF VOTING (IRV OR RANKED VOTING METHOD) TO BE IMPLEMENTED FOR THE OFFICE OF MAYOR. BE IT ORDAINED BY THE CITIZENS of the TOWN of TELLURIDE: WHEREAS, the State of Colorado legislature passed House Bill 08-1378 this year encouraging communities to implement Instant Runoff Voting on a trial basis and report back to the Colorado Legislature on the experience; and WHEREAS, it is the desire of citizens in a democracy to want elections that reflect the will of the people and that more people are likely to vote if they feel that their vote matters; WHEREAS, under current electoral process, where there are three (3) or more candidates for a single office, the electoral outcome may not accurately reflect the will of the people as voters may be inclined to vote only for the more prominent candidates thinking that their votes for others are "wasted" votes; and WHEREAS, the current electoral process discourages potential candidates that are less popular from entering a race; and WHEREAS, IRV allows for the process of an election to better reflect the intent of the public by (1) allowing the final vote tally to more clearly reflect the majority will of the voters and (2) allowing citizens who vote for the less popular candidate(s) to still have a voice in the vote between the more popular candidates. WHEREAS, it is the right and duty of the citizens of the Town of Telluride (the electorate) to initiate laws and regulations by petition and vote of the electorate as set forth in the Town Charter; and NOW THEREFORE BE IT ORDAINED THAT: (1) The People of the Town of Telluride hereby call for the Town Clerk of Telluride to implement Instant Runoff Voting (IRV) for the office of Mayor for the next Mayoral Election. (2) IRV calls for voters to rank their preferences (i.e., first, second, third, etc.) with the ballots then counted. If no single candidate receives a majority of the votes cast by all eligible voters in the first round (i.e., more votes than all other candidates combined), the lowest vote getter is eliminated. The votes are then recalculated for the remaining candidates. When there are only two candidates remaining, a majority winner can be declared. If there is a tie at any point in the process, the Town Charter rules apply. (3) This initiated ordinance will expire after three (3) mayoral elections unless otherwise adopted by the Town.
